Sir,

In forwarding herewith in original the report received from the President, Chitaldrug Municipality about the grant of a site to one Mr. Kasi Venkatachelasetti of Chitaldrug, I have the honor to state that the gentleman applied to the Municipality for the grant of a suitable site free of cost for the construction of a choultry for public use which the town is so badly in need of. The site is situated near the Municipal office adjoining the Bangalore-Dharwar road and is well suited for the purpose asked for. The Municipal Council have resolved at their meeting held on 31st October 1933 that the triangular bit of site asked for by the gentleman may be granted to him free and that the choultry should be open to all the communities. The building will of course be constructed in accordance with the plan to be approved by the Municipal President.

I request that sanction of Government under Section 38(2) of the Mysore Town Municipal Regulation may kindly be obtained to the free grant of the site asked for as resolved by the Municipal Council.

I have the honor to be,

S I R,

Your most obedient servant,

M. Seshadri
Deputy Commissioner,
Chitaldrug District.

Page 2 invites attention to the resolution of the Municipal Council which does not specify the exact dimensions of the site proposed to be granted nor what is the approximate market value of the site. It would be useful to have this information before orders are passed in the case. The triangular site is situated at the junction of several important roads. Mrs
